

Enthusiastic Meeting of Tonopah Citizens

Arrangements Were Made to Receive Members of the Mining Congress.

One of the most enthusiastic meetings in the history of the Tonopah Promotion association was held last evening at the headquarters of the association in the offices of the Desert Securities company. The object of the meeting was primarily to receive James F. Callbreath, secretary of the American Mining congress. However, much business was transacted, the meeting undoubtedly being more fruitful than any heretofore held.

After the meeting had been called to order, the secretary read the names of the committees and the committeemen, selected by the executive committee. The association ratified the appointments, as follows:

Executive—H. C. Schmidt, R. P. Dunlap, A. H. Elftman, ex-officio members of all committees.

Finance—W. W. Charles, H. E. Epstine, W. W. Booth, Tom Kendall, Dave Holland, Grant Crumley, W. T. Cuddy, James Hafferon, William Douglass.

Entertainment—R. P. Dunlap, R. C. Moore, T. R. Harris, Thomas Lindsay, Malcolm Macdonald, Hugh H. Brown, Mark Averill, Key Pittman, Zeb Kendall, J. B. Giffen.

Railroad—H. C. Schmidt, W. D. Forster, Charles Wittenberg.

Publicity—A. H. Elftman, W. W. Charles, William J. Bell.

Decorations—W. K. Wise.

Mining—S. H. Brady, E. A. Collins, Fred Corkhill, Nels Nelson, W. H. Blackburn, J. G. Kirchen, J. W. Chandler, Jr.

Reception—Roger Stenson, L. C. Branson, J. Morris, W. D. Cole, H. H. Atkinson, Dr. Hammond, Dr. Mapes, J. E. McNamara, Ed Malley, J. J. Owens, E. L. Kidd, A. H. McKim, William Pangburn, Branch Smith, Fred Berry, H. H. Bacon, C. H. McIntosh, H. R. Cooke, S. R. Moore, L. M. Kind, Alec Dewar, Jules Smith, Dr. Cowden, Dr. Clark, Dr. Cunningham, J. A. Falkenstein, R. Davis, H. Martin, A. H. Rounsevell, Bob Govan, P. E. Keeler, J. J. Degau, James McQuillan.

The Miners union has been asked to name a member of the finance and entertainment committees and two members of reception committee.

It is urgently requested that these committees meet as soon as possible. The committee on entertainment will meet Monday afternoon in the offices of R. P. Dunlap at 3 o'clock, while the committee on railroad will meet this afternoon at 2 o'clock in the office of W. D. Forster.

The secretary was notified to inform the mining committee that an early report from the chairman thereof would be appreciated.

Mr. Callbreath was called upon to address the meeting. He started his address by expressing the surprise that struck him at seeing such a substantial city as Tonopah. He paid the mother of the southern Nevada camps a glowing tribute and then entered into a talk concerning the forthcoming session of the congress. He said that many matters of grave importance to the industry would be brought up at the meeting, among the more important of which were the unification of the mining laws of the different states, a fight in behalf of better protection for the white metal and the protection of human lives from injury in the mines.

The speech of Mr. Callbreath was replete with logic. He handled the mining question as only one thoroughly familiar with it knows how. He gave as his individual opinion

that there would be between 1000 and 1500 people present at the session of the congress.

A number of other gentlemen spoke, among whom were James Givens, R. P. Dunlap, W. W. Booth, William J. Bell, Judge Ray, Branch Smith, W. D. Forster. The speech of each showed a desire to be of assistance to the success of the Goldfield meeting.

According to the plans of the association, it is desired to entertain the members of the congress in this city on the first Wednesday of September. On that day the congress will hold a meeting in this city. A paper will be read by one of the prominent mining men of Tonopah dealing with Tonopah. The present plan contemplates inviting one of the best orators in the state to come to this city to deliver a speech on that day in addition. En route to Tonopah the members of the congress will be shown through the mill at Millers Siding and upon their arrival here will be shown through the mines and the mills.

The finance committee will interview the citizens. There is not the slightest doubt concerning their liberal support. In view of the fact that the congress will be of incalculable benefit to the state in general and southern Nevada in particular, the citizens will be only too willing to lend every assistance within their power.

Mr. Callbreath stated in his remarks last evening that the exhibit would be without doubt the finest that was ever displayed. The exhibit alone would be the means of attracting millions of dollars to the state in the years to follow the twelfth annual meeting of the congress.

Meetings along the same lines as the one of last evening cannot but accomplish good. It pays to advertise as has been shown by instances all over the earth. It is the duty of the citizens to be of some assistance to the community in which he has cast his lot. A splendid opportunity presents itself at the present time for the people of Tonopah to substantially assist in the entertainment of the members of the American Mining congress, both financially and morally. When the finance committee comes around have what you can spare awaiting them together with a cheery smile and a hurrah for Tonopah.

MINERS UNION TO GIVE DANCE ON LABOR DAY

MINERS HALL TO BE SCENE OF
FESTIVE PARTY ON SEP-
TEMBER 5.

Tonopah Miners' Union, No. 121, will give a grand ball on Labor day and already the committee has started in work for making the affair one grand success. The dance will be handled by Phil A. Lee, Hiram Bilyou and G. Wallbum, who in the past have been associated with the majority of the dances given by the union. They have acquired quite a reputation amongst the lovers of the terpsichorean art and their efforts are bound to be crowned with success. Labor day this year falls on Monday, September 5.

TONOPAH TEAM IN FINE SHAPE FOR THE GAME

SEIT'S INVINCIBLES WILL GIVE
GOLDFIELDERS A ROYAL
BATTLE.

Are you an fan?
That is the burning question of the hour. For on the morrow Goldfield will invade the peaceful confines of our city with a howling bunch of rooters, who will endeavor to make the wilderness howl for a short two hours in the afternoon. Of course Tonopah will make a little noise also. For when it comes to ball fans we take off our hats to nobody. Every man, woman and child of Tonopah is an ardent enthusiast of the game and when aroused can inform the umpire that he is a likely candidate for the booby hatch.

Now the Goldfielders have conceived the idea that they are some class in the baseball world when in reality they should be handling the business end of a muck stick on one of the lower levels of the Consolidated. On the other hand, the aggregation gathered by Chief Malley, playing under the name of the Tonopah Volunteers, are first raters and will demonstrate to our Goldfield friends what good ball playing resembles. Not only will they demonstrate the art but will endeavor to teach the southerners a few fine points of the great national sport.

The California Heights diamond is bound to be crowded and those having charge of the affair ask that the people come early. The game will be called at 3 o'clock sharp.

So be on hand with your caw balls, triangles, horns or anything that will make a noise.

RAIN STORM INTERRUPTS A HAY RIDE

PARTY OF MERRY-MAKERS RE-
CEIVE A SEVERE DRENCH-
ING.

Those who were out of doors last evening had the pleasure of witnessing one of the prettiest electrical storms that has ever visited southern Nevada. The heavens would be lighted up for several seconds at a time by the lightning which would describe its zigzag course across the sky.

Just prior to the storm breaking, a party of the younger set started out on what was supposed to be a hay ride. The destination was the Seitz mine, but before a quarter of the distance had been traversed, the homeward trip was begun. The merry-makers were enjoying the ride immensely until the rain started. This, however, did not deter them but when it started to come down in torrents, a consultation was held. The vote on the return trip was unanimous for nearly every one of the party was soaking wet. When the starting point was reached the party bore a close resemblance to a bunch of surf swimmers. Even the edibles had become drenched. The trip will be made at some future date. Among those who participated in the drenching were the Misses Blanche Robb, Nellie Pomroy, Muriel Robb, Margaret Spears, Florence McNeil, Frances Gilbert, Trizie Smith, Lena Hafferon, Anna Warburton, Genevieve Bertrand.
